[Redacted] of OLC, will accompany Eisenhower on the last three days of his tour. Eisenhower gave me his views on the timetable for Select Committee legislation. He said he did not believe that S. Res. 207, the Select Committee's recommendation that the overall intelligence budget be disclosed, would be heard before the recess as the minority of Senate Select Committee on Intelligence members who voted against disclosures are threatening a filibuster. He also stated that he did not believe S. 1566 would reach the Senate floor until next year.
